

Breakfast at Sustainability's

ICLEI – Local Governments for Sustainability in partnership with the CIVITAS SUMP-PLUS project is pleased to invite you to the **37TH BREAKFAST AT SUSTAINABILITY'S – mobility edition**

TOPIC: Enhancing SUMP's through transition pathways and implementation strategies

Wednesday 27 April 2022, 9:30–13:00, online

AGENDA

09:30 **Welcome**

Elma Meskovic, Sustainable Mobility Officer, ICLEI Europe
Marijke De Roeck, CIVITAS SUMP-PLUS Project Coordinator

09:40 **Enhancing SUMP's – from new perspectives to refining implementation strategies**

Peter Jones, Professor of Transport and Sustainable Development, University College London, UK

10:05 **High-level perspective: SUMP's and carbon-zero policy and strategies framework**

Matthew Baldwin, Deputy Director-General for Mobility and Transport, European Commission

10:15 **From shorter-term implementation strategies to longer-term transition pathways**

Steve Wright, Principal Researcher, Vectos, UK

Governance and engagement: solutions for implementation strategies and transition pathways

Charlotte Halpern, Tenured Researcher in Political Science, Sciences Po, Paris, France

11:00 **Coffee Break (15')**

11:15 **An introduction to six co-created city labs**

Timothy Durant, Associate Director – International, Vectos, Germany

Two cities tell their stories:

Stavroula Tournaki, Senior Expert, Technical University of Crete, Platanias, Greece

A small island municipality's steps to co-create its first SUMP

Stuart Blackadder, Innovation Strategy Officer, Transport for Greater Manchester, UK

How cross-sector links are bringing this city closer to realising its long-term vision

12:30 **Closing words and upcoming opportunities**
